FIS Informationssysteme und Consulting GmbH

FIS – DEFINITELY THE APPROPRIATE SOLUTION

Tailor-made: SAP portfolio and individual developments

Future-proof: certified SAP value-added reseller with many years of experience

All from a single source: from idea to support

As a certified SAP partner with "Gold" status, FIS Informationssysteme und Consulting GmbH provides comprehensive end-to-end service – from consulting, development and implementation to support.

For more than 30 years, we stand for quality and trust. Our proof: more than 550 satisfied customers. To promote our customers' digitization, we focus on future topics, such as cloud, AI and sustainability.

Challenging integration and cloud projects for individual requirements are our core business. Here, our focus is on SAP S/4HANA Cloud, logistics and process solutions for different industries and business areas, e.g. finances, human resources, sales and distribution or procurement. Standardized SAP processes are refined by individual FIS developments. Furthermore, our ERP template for the technical wholesale industry is a market leader in the DACH region (Germany, Austria and Switzerland).

As FIS Group with more than 850 employees, FIS, FIS-ASP and Medienwerft together provide a unique portfolio. Our experts on SAP consulting and implementation, CX design, e-commerce, cloud hosting and IT security develop customized solutions for SAP standard systems.

Our corporate values – inventiveness, sense of community, down-to-earth attitude – characterize our employees' work routine and are reflected in all our projects. We are regionally rooted, but nevertheless operating internationally. Our mission: optimal SAP processes by using FIS solutions.

We are FIS: Our values and what makes us special

Together we have been mastering the challenges of digitization in a corporate environment since our foundation in 1992. As a down-to-earth partner, we assist our customers with daily advice and practical support. This is what we are proud of!

We are also proud of our company history, of what we have achieved so far and of anything we are going to implement together in the future. We are most proud of our faithful and committed employees for they are the most important success factor of our company. It is them who always create new ideas and do their best to provide tailored and future-proof solutions for our customers.

SAP Gold Partner

Creative: What started more than 25 years ago with Gert Lang and the idea of optimizing SAP solutions for technical wholesale has developed into a company with more than 850 employees.

Still today, a new idea that was the origin of our success in the past is the focus of our work and drives us forward every day. From trainee to managing director: every day, we all have ideas for the implementation of SAP solutions and their optimization.

Collective: We at FIS are one big team. The competences and strengths of our employees make us what we are. We all offer our customers long-term and trustful support. The satisfaction of our customers and employees is our top priority, for which we go the extra mile together and develop the best solution..

Down-to-earth: As a family business headquartered in Grafenrheinfeld (Lower Franconia), we attach great importance to a down-to-earth attitude. FIS is a family with open doors where all employees are on first name basis. We treat our customers and partners with the same closeness and down-to-earth attitude by communicating with them honestly and at eye level.

Satisfied customers are our best reference:
