FIS Informationssysteme und Consulting GmbH is an expanding and independent enterprise and the roof of the FIS Group, which employs more than 800 persons making companies more modern, economic and competitive every day.

FIS mainly focuses on **SAP consulting** and the execution of **SAP projects** for commerce and industry. The FIS Group offers everything from a single source: from consulting and SAP implementations to continued system operation and strong customer expert service.

FIS holistically supports enterprises with tailored and standardized **SAP solutions** and **individual further developments**. The portfolio is amended by industry-independent **SAP optimizations**. With its FIS/www industrial solution, FIS is market leader in Germany, Austria and Switzerland in the field of technical wholesale.

FIS is an **SAP partner with "Gold" status** as well as certified **SAP Partner Center of Expertise**. The SAP expertise, the service as well as the performance quality of FIS are confirmed in regular audits. With

more than 25 years of practical experience and the continued investment in training and education, FIS is the suitable partner on the path into a digital future.

WE ARE FIS: OUR VALUES AND WHAT MAKES US SPECIAL

Together we have been mastering the challenges of **digitization** in a corporate environment since our foundation in 1992. As a down-to-earth partner, we assist our customers with daily advice and practical support. This is what we are proud of!

We are also proud of our company history, of what we have achieved so far and of anything we are going to implement together in the future. We are most proud of our faithful and **committed employees** for they are the most important success factor of our company. It is them who always create new ideas and do their best to develop tailored and **future-proof solutions** for our customers.

FIS – TAILORED SOLUTIONS FROM A SINGLE PROVIDER:

- ERP implementation based on SAP
- S/4HANA transition
- SAP optimizations for master data and document processes
- Solutions for marketing, sales, service as well as for e-commerce and connection of online marketplaces
- Warehouse and transport logistics with SAP
- SAP solutions for HR
- Integration and interfaces between systems and business partners
- Business process management

CREATIVE.

What started more than 25 years ago with Gert Lang and the idea of optimizing SAP solutions for technical wholesale has developed into a company with more than 800 employees.

Still today, a new idea that was the origin of our **success** in the past is the focus of our work and drives us forward every day. From trainee to managing director: every day, we all have ideas for the implementation of SAP solutions and their optimization.

COLLECTIVE.

We at FIS are one big **team**. The competences and strengths of our employees make us what we are. We all offer our customers **long-term and trustful** support. The satisfaction of our customers and employees is our top priority, for which we go the extra mile together and develop the best solution.

DOWN-TO-EARTH.

As a family business headquartered in Grafenrheinfeld (Lower Franconia), we attach great importance to a down-to-earth attitude. FIS is a **family** with open doors, where all employees are on a first name basis. We treat our customers and partners with the same **closeness** and down-to-earth attitude by communicating with them honestly and **at eye level**.
